

COVID-19

Nufloors Salmon Arm is committed to ensuring the safety of our shoppers and employees during COVID-19.

As of July 1st, masks will now be a personal choice at Nufloors Salmon Arm.

If you feel more comfortable wearing one, please do!

If you would like your Sales Team Member to wear one, please mention it at the time of your visit, or when you book your consultation appointment.

We have followed a very strict protocol since the beginning of the pandemic and will continue to have masks and gloves available for your convenience.
